

Can anyone be married at Culcreuch Castle?

Yes, provided they meet these criteria.

- Both are at least 16 years of age.
- Not related to one another.
- Not married to anyone else.
- Both capable of understanding the marriage ceremony and of consenting to marriage.
- Neither is a citizen of a country in which the marriage would not be regarded as valid.

If you are divorced, widowed or a previous marriage has been annulled, you will need the relevant documents to prove your current legal status.

And there is no residency requirement of any nature for a marriage to take place in Scotland.
